CROWN CENTER PRESENTS
THE MAYOR'S CHRISTMAS TREE ORNAMENTS

From 1981 to 1986, the designs of the ornaments came from the Hallmark ornament line and were revised in limited editions with the Mayor's Christmas Tree inscription.

Since 1987, each ornament has been an original, designed by Hallmark artists and made from the wood of the previous year's Mayor's Christmas Tree.

Proceeds from the purchase of the commemorative ornaments benefit the Mayor's Christmas Tree Fund, Kansas City's holiday charity since 1908.
